EC Type Examination Certificate

SC0271-11

Issued by Notified Body No. 0402 according to Directive 89/686/EEC, article 10, regarding:

Industrial safety helmet “H200/Balance”

Issued to

Husqvarna AB

Drottninggatan 2, SE-561 82 HUSKVARNA, Sweden

Product description and product name

Industrial safety helmet in compliance with EN 397:2012+A1:2012. Size 54-61 cm.
The product is marketed under different brand names, see appendix for details.

Technical documentation

The manufacturer’s technical file, latest dated 2017-06-27.

Certificate

RISE Research Institutes of Sweden AB, Notified Body no. 0402, hereby certifies that the manufacturer's technical file and the product have been inspected in accordance with the procedure described in Directive 89/686/EEC, Article 10 and found to fulfil the requirements.
The certification is based on a type test in accordance with EN 397:2012+A1:2012.
The product also complies with additional requirement in EN 397, as can be seen in page 2.

The Council Directive 89/686/EEC is implemented in Swedish Law by the national regulation AFS 1996:07. SPs Certification Rule SPCR 029 has been applied.

Miscellaneous

The manufacturer's information in Swedish on use, cleaning, storage etc. has been inspected and found to fulfil the relevant requirements of the Directive. This information must be available in the language used where the product is to be sold.

Validity

The certificate remains valid as long as the conditions laid down in the harmonized standard(s) in reference are not modified significantly or at the latest until 30th June 2022. It is a prerequisite that manufactured products, carrying the additional “440Vac” marking, must be inspected in accordance with Article 11 of the directive 89/686/EEC.
